

ENGLISH EXAMS

STEP 1

WHICH TEXT OR EXAM?

Many jobs & universities require different exams. Check application requirements carefully. Consider other variables, such as:

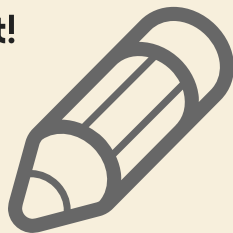

- cost
- time
- location
- level

STEP 3

GO WITH CONFIDENCE!

After selecting the best exam (time, location, etc.) & following a solid strategic plan for preparation, it is time to take the exam. Eat & sleep well. Be confident - you are well prepared - Do your best!

Ready to prepare for an exam?
Listen to our top tips here:

STEP 2

MAKE A STRATEGIC PLAN

Consider the many different aspects tested & make a clear plan to strategically prepare for test day.

- timing strategies
- organizational techniques
- impromptu speaking skills
- working under pressure

STEP 4

REFLECT & REPEAT

"Rome wasn't built in a day!" Most people take standardized tests more than once & improve their score over time.
